**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

I'm a Dominion Energy customer.

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

I'm concerned that this rate increase on solar customers is so large that it will become completely financially impractical to use solar energy. I'm also concerned that this increased cost will slow the adoption of solar energy. Environmental benefits aside, this feels like an abuse of power by a large corporation to bleed more money out of individual consumers.

**3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \***

No.
